Alma Mater

Oh, Alma Mater, fair and bright,
Thy honor we acclaim;
We rally 'round the Green and White
To laud thy noble name.
In thee we students shall renew
Our faith of days gone by,
Across the years we'll live anew
Thy spirit, Southside High.
Across the years we'll live anew
Thy spirit, Southside High.

Oh, dear Southside, thy loving ways
And charms will ever be,
Those memories of golden days,
Those friends and hearts so free.
To thee we pledge our honor due,
And parting sound thy cheers:
Our thoughts of you, so staunch, so true
Will live through all the years.
Our thoughts of you, so staunch, so true,
Will live through all the years.

In Memoriam

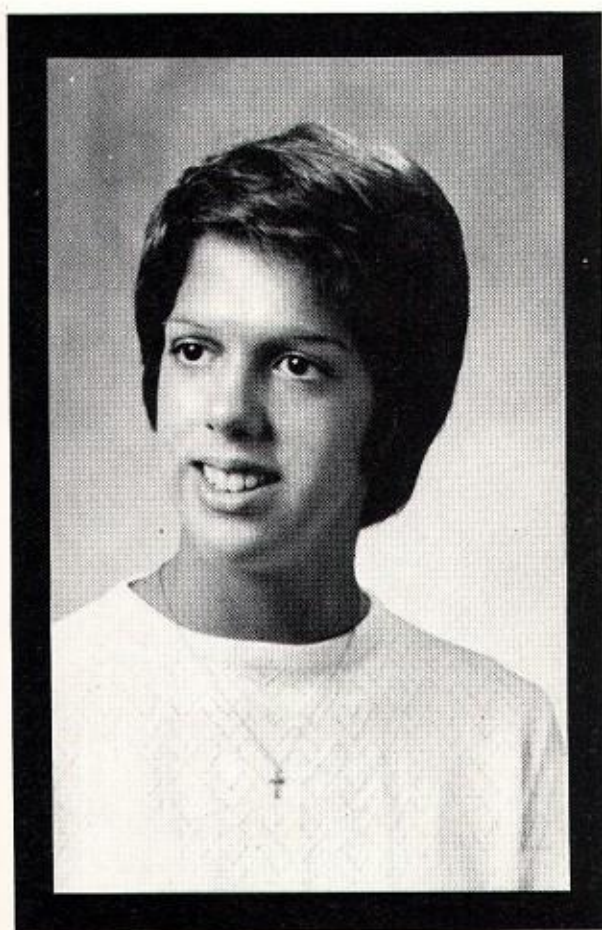

*And God fulfills Himself in many ways,
Lest one good custom should corrupt the world.
Comfort thyself: what comfort is in me?
I have lived my life, and that which I have done
May He within Himself make pure! But thou,
If thou shouldst never see my face again,
Pray for my soul. More things are wrought by prayer
Than this world dreams of. Wherefore, let thy voice
Rise like a fountain for me night and day.*

We, the Class of 1977, started our years at Southside High School as unambitious sophomores. Our first major money raising project was selling candles. Even though the project failed, it started the class on its way. On June 7, 1975, the class held a sophomore class picnic, at Sullivan's Monument.

Then in our junior year, we started right off with the Bicentennial Homecoming Float Contest, then the EFA-SHS poster contest. Even though the class won second place in both events, we finally got together for a successful year. The money raising project for that year was a candy sale. Our junior year ended with a junior weekend. The prom was held on Friday, May 14, 1976, at the Connecticut Yankee Inn. Our theme was "Do you know where you're going to?" The prom was highlighted with the crowning of Queen Colleen Mucci and King John Carroll. On Saturday, May 15, 1976, there was a junior class picnic on Julie Dixon's land.

In our senior year we started off by showing everyone that we could do something together and win at it by winning the Homecoming Giant Poster Contest, sponsored by the Southside Booster Club. After that, we had the annual magazine sale. It was the first time at Southside for a class to gross over \$9,000; the class grossed \$12,000. The poster contest for the EFA-SHS game ended with a tie for first place with the seniors and juniors. The class did an outstanding job for that one, also. Our successful fruit sale took place in December. Our senior year ended with the Senior Prom on May 28, 1976, at the Elmira Holiday Inn.

In Appreciation To Our Advisors

Dear Advisors,

Throughout the past three years, your allegiance and enthusiasm toward us has been an inspiration. Without receiving the recognition you well deserved, you unselfishly devoted a great deal of time and energy into unifying the Class of 1977. At this time, as an acknowledgment of our everlasting gratitude, we dedicate this page to you to show our appreciation.

Always,

The Class of 1977

William J. Caroscio

Dear Friends (Seniors),

As we look back over the last three years, we recall many fond memories. Thoughts of floats, dances, posters, tissue flowers, proms, and many thoughts of individual names and faces run through our heads. We can only hope that each of you share the many fine memories we cherish.

We wish to say THANK YOU to so many of you who have given us your support over the past three years, without it we would have never made it.

As you graduate, you are on the threshold of your future. It is the beginning of new adventures, new challenges, and new dreams. We wish you all happiness and success in the years to come.

You can be sure we'll never forget the Class of '77, and we hope the many friendships we have made will continue to grow. We won't say good bye, just good luck!

This year's National Honor Society members, following tradition, were inducted at a candlelight ceremony held in the spring. This organization is dedicated to the purpose of promoting, maintaining, and awarding academic achievement at SHS. The Honor Society is responsible for the issuance of honor passes to qualified sophomores, and also the awarding of commendations to the top scholar in each class at the end of each marking period.

This year was an eventful one for the Honor Society. Mr. Henderson has taken over the job as advisor from Mrs. Bevilacqua, and is working with the society to create more award avenues for academically deserving students. A dance, co-sponsored with the Ski Club, brought in the necessary funds to enable the National Honor Society to carry out its goals for the year.

Val Deming and Terry Emerson participants in the area Junior Miss pageant. Terry Emerson was first runner-up.

Colleen Mucci and John Carroll were chosen King and Queen of the Junior Prom last year.

Greg Green, Debbie Mitchell, and John Carroll were Southside's representatives to Girls' and Boys' State this year.

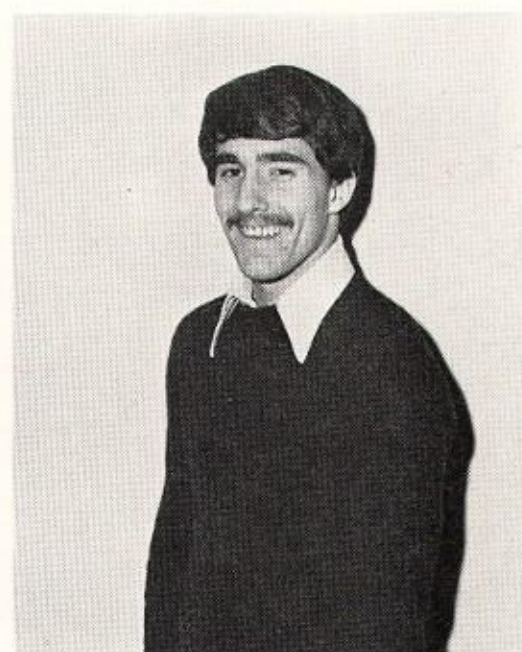

Youth County is an educational opportunity sponsored by the El-mira Heights American Legion. In the spring, juniors from area high schools spend one and one-half days learning the political process through involvement. They carry out each step in the system of government, from conventions to elections. This experience is both educational and enjoyable, for the participants learn through their own actions.

UNDERCLASSEN

Junior Class

The Class of '78 started its junior year with great enthusiasm. Class spirit was shown right away as the class won the Spirit Jug at the first two pep assemblies. For the Homecoming game, the class won second place in the poster contest. Again, the class members proved their artistic ability and spirit by their receiving first place, along with the seniors, for the Academy-Southside football game poster contest between classes.

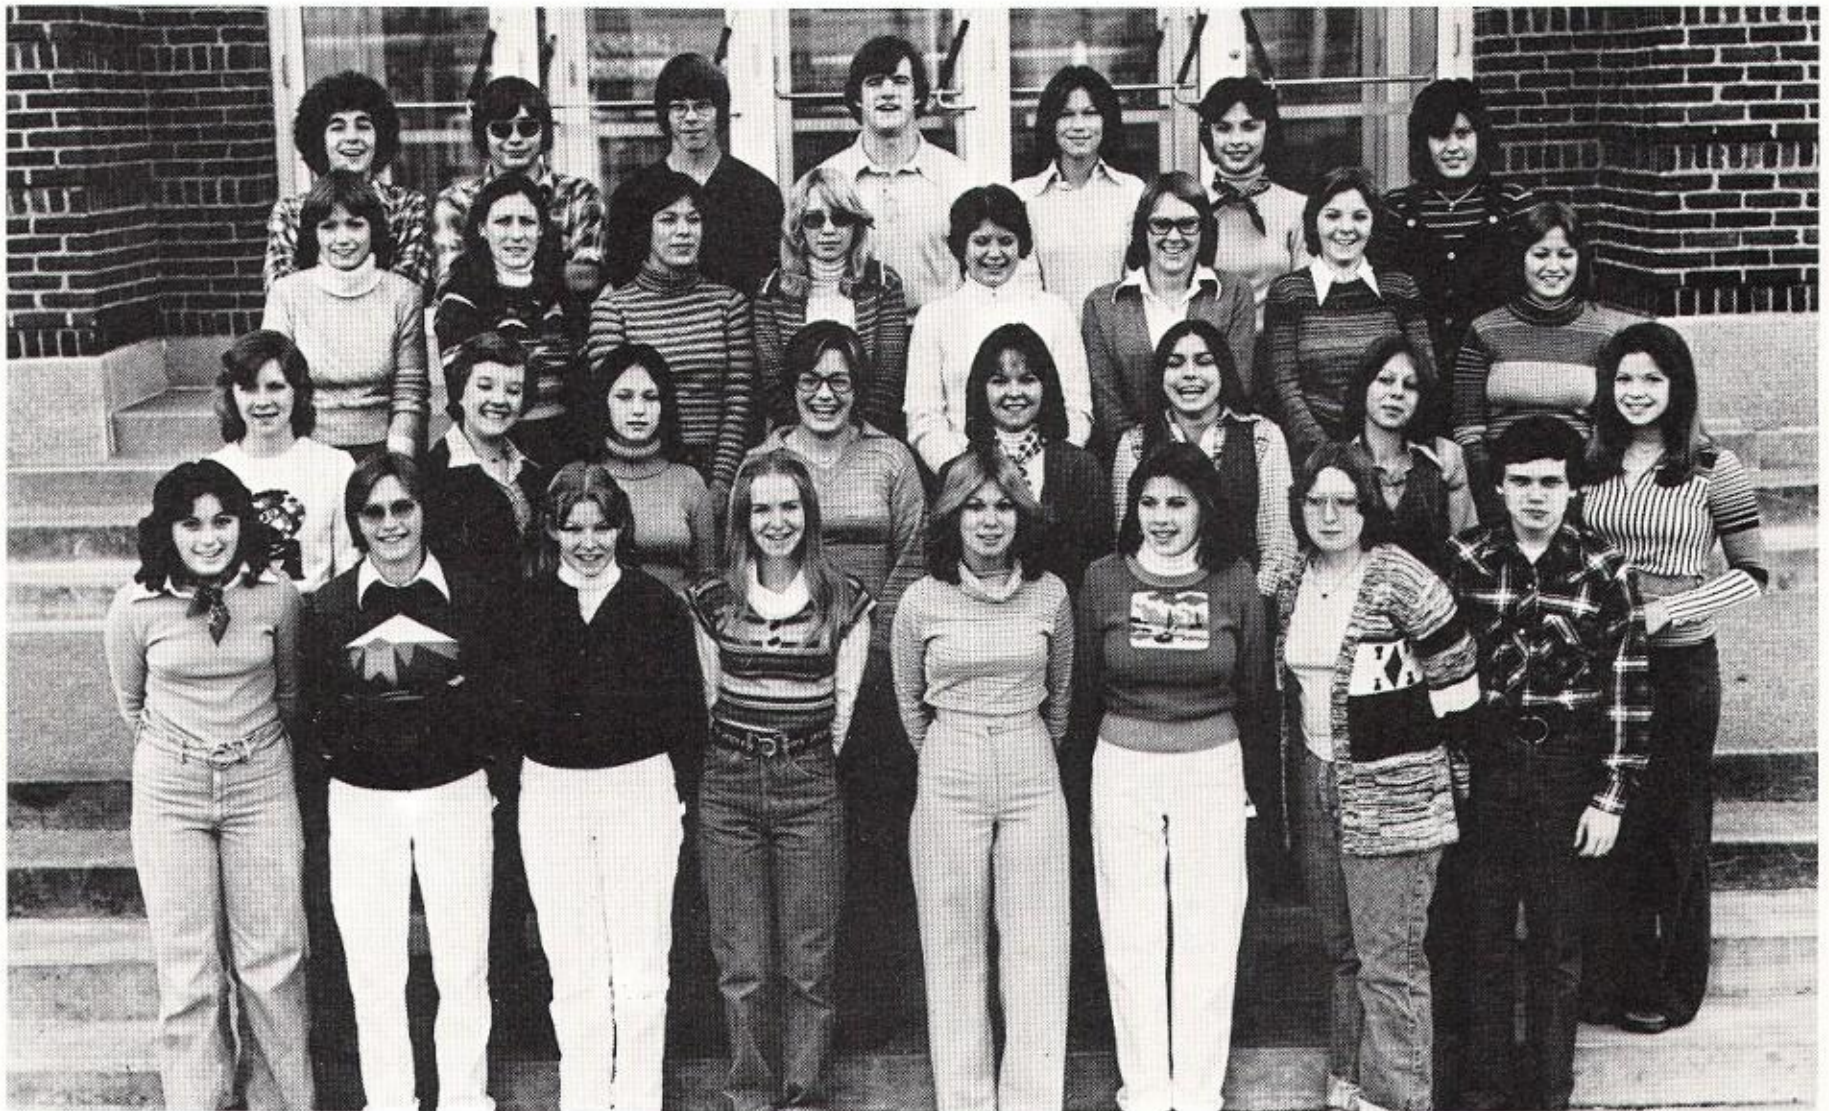

The junior class sponsored two dances this year, one of which was an old-fashioned Christmas Dance which proved to be a great success.

The Junior Prom was held at the Holiday Inn in downtown Elmira on May 14, 1977.

The junior class ended its successful year by sponsoring a picnic. Class members are looking forward to their senior year at Southside High School.

The sophomore class, in September of 1976, came to SHS and slowly adapted to the customs of Southside High School.

Class of '79 started its year by electing the class council and officers. The first big project we had was the poster contest for the Homecoming Game. Much spirit was shown as everyone worked together. We won third place. We also had a successful dance in November. Many sophomores came to participate in decorating the halls for the SHS-EFA football game. Even though we won second place for the decorating contest, the sophomore class showed its spirit at the pep assembly by winning the Spirit Jug.

The sophomore JV Cheerleaders and football players did a good job helping to win the EFA football game. Also, the football players were intracity Champions, and the JV Cheerleaders came in 2nd place at competition.

For Christmas we had a door-decorating contest. The sophomores had many ideas which they used with this contest.

The sophomores sold yearbook covers. Also, a three-day fund raising project took place in February, and our class picnic will be held at the end of the year at Harris Hill.

If our spirit and participation is as good in the future, we should have successful and enjoyable junior and senior years.

The Student Council at Southside acts as the coordinating body for all student activities. The Student Council started the school year by presenting an officer inauguration assembly, which the student body attended. During the year, the council was involved with the future of Southside by distributing and tabulating a survey for the S.C.O.P.E. committee.

The council handled the dance schedule, the elections of the Homecoming and Erie Bell Queens, and the Salvation Army can drive. A student exchange day was organized. Popular movies were shown. Money was raised and donated to charity organizations. Student communication and interest was restored in student activities.

The Edsonian business staff is responsible for selling the yearbook to the students and faculty and also helping to raise outside money to offset expenses. This year, the staff held one dance, sold yearbooks in the cafeteria throughout December, and sold ads to local businesses and friends of Southside. The students had the option of purchasing their name engraved on the front cover. Yearbooks were again sold in the cafeteria, which proved to be a great success.

Mr. Smith, business advisor; Dawn Lane, business manager.

This year, the Edsonian 1977 staff wanted to present a yearbook to the students and to the Class of 1977 that was done in the school colors, Green and White. Through use of green on the cover and throughout the senior section, the staff has put together a book dedicated to our school and to the "Times of our Lives."

This year's staff worked long and hard for many months to make this a book that you would be proud of. Overcoming problems and other obstacles in production, we feel that we have succeeded in making this a book for us and for the school.

This year, the Edsonian was led by Sue Draht, editor, and Judy Williamson, assistant editor. This book would not have been possible without the help and guidance of the two advisors, Mr. Haven and Mr. Smith. They deserve our thanks from the Class of 1977.

El-So-Hi

The El-So-Hi is, again this year, striving to be an all-school publication. The newspaper is published in the print shop, and much of the typing is being done by students. More staff members have been added this year, and the newspaper is now under the direction of Mr. Hall. Next year should be another building year for the El-So-Hi with the result of a still better paper.

Art History Club

Art History Club, in its first full year, is for the students who are interested in promoting art and its history. The club hopes to increase its membership next year with more interested students. This year, the club has sold Tootsie Roll banks, suckers in cafeteria during the periods, and wrapping paper. Next year, the members hope to be more involved in art related activities.

Field Experience is an elective for seniors that involves establishing a helping relationship with students in elementary and junior high schools in Elmira. Students participate in a variety of experiences that range from kindergarten through sixth grade, elementary and junior high art, drama, and physical education classes.

F.E.S. Students are volunteering their efforts in all kinds of classroom activities from individual help on a one-to-one basis, to large group projects. There is a great amount of enthusiasm on the part of everyone involved in F.E.S., and the students feel they are gaining very rewarding experiences and developing many skills in human interaction.

The Southside Key Club is a community service organization sponsored by the Elmira Kiwanis Club. The club is small in size, but big in the spirit of helping others.

The club has instituted many new projects and continued others started in previous years. These include active participation in packing and delivering fruit baskets to the elderly during the Christmas season, making contributions to organizations, such as Red Cross, Heart Association, and Southside High School. They also participate in the annual Iszard's Christmas parade. The club is one of the few that exists solely for the purpose of helping others.

Future Secretaries

Future Secretaries provides an opportunity for junior and senior girls to learn more about the secretarial field. Each month, the six area high schools — SHS, EFA, ND, Edison, HHS, Towanda — meet for a combined meeting with a program put on by Glider Chapter of the National Secretaries Association.

In November, new members and officers were installed at a tea. January was the Miss FSA Contest. Sue Draht was the representative from Southside, and she won the contest over the other girls.

The members sold cookbooks and held several bake sales. The year-end banquet was held on May 18. The girls also did a service project to benefit the community.

Future Secretaries is open to any girl who is enrolled in the shorthand courses. It is a worthwhile experience for any girl who wants to become a secretary.

During the past year, the Radio half of the club completed its second year of cablecasting to the community as WSHS F.M. In addition to the regular programming, sports events, such as football, basketball, and baseball, were broadcast live.

The Television half of the club was also active. The portable "rover" system covered such events as wrestling matches and cheerleading competitions. The "in-house" broadcasting system allowed teachers to preview and use programming on videotapes supplied by BOCES. Also, several members of the club participated in the regional Film/Media Show held at Elmira College on February 22.

As a side note, women are fully involved in both halves of the club. There are several female disc jockeys, and women are also involved in videotaping sports events.

Ten Little

"I've got a good mind to put on my hat and coat and go straight back to Plymouth."

"Mrs. Owen has been detained and won't be down until tomorrow."

"The wicked shall be turned into hell."

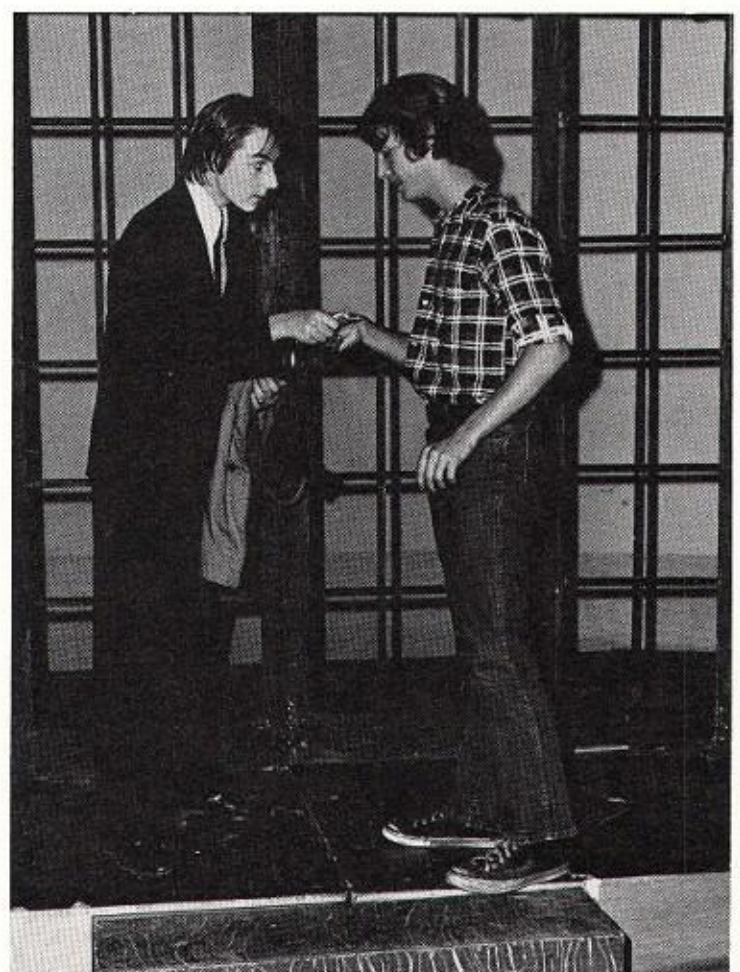

The "ten little Indians" refers to the cluster of statuettes on the mantelpiece of a weird country house on an island off the coast of Devon, when the play opens, and to the nursery rhyme embossed above them, telling how each little Indian met his death until there was none. To this queer Byzantine mortuary eight assorted guests are invited for a weekend by a mysterious host. The guests have never met one another before, nor have they met their host. Nor has the housekeeper, the butler, or the boatman ever met their employer.

While the guests are assembled for cocktails prior to going in to dinner, a voice comes out of the air, accusing everyone present, including the two house servants, each in his turn, of murder — not the sort of murder on which a conviction can be got in the courts but a murder just the same.

While they are exchanging data on themselves and on their

"I'm for crime"

"I understand that there's another gentleman arriving by car."

Indians

host (who has sent word he will not be down until the next day) one of the ten little Indian statuettes topples off the mantelpiece and breaks — and immediately thereafter the giddy Oxonian chokes to death of cyanide of potassium which someone has dropped into his drink. One down and nine to go.

Then the excitement begins and never lets down until the final curtain. The nerve specialist, accused of murder by operating while drunk, is pushed off a cliff; the judge, who sentenced an innocent man to die, is found limp in a chair with a gunshot wound in his head, the spinster, who drove a servant girl to suicide, is dispatched with a hypodermic; the detective, who caused an innocent man to die, is garroted; the general, who sent his wife's lover on a fatal mission, is stabbed; and so on, in a phantasmagoria of gruesome (and very comical) details, involving clues, explanations, suspicions and terror.

Here's to it!"

"My hanging . . . I must have my hanging!"

A final check before curtain time.

"You nearly drove me into the ditch!"

"She had a heart-shaped face — and grey eyes — and brown hair that curled."

The string section rehearses on Monday and Wednesday during eighth period. This fall, three violinists from our school were chosen to represent Southside at Area All-State Orchestra in Dryden, N. Y. Evening rehearsals begin in January with the wind, brass, and percussion players joining the strings every other Wednesday night. Our spring concert was held April 21 at 8:00 PM. Durante los treinta y seis años de su existencia, el propósito del club siempre ha sido el de unir a esos estudiantes de español de nuestra escuela que quieran saber más acerca de los modos de vivir, las costumbres y las tradiciones de la gente de habla española del mundo.

Los socios han logrado tal fin participando en las actividades del club, las cuales incluyen fiestas, reuniones, ventas, bailes, y discursos y películas.

The members worked throughout the summer of 1976 and into December preparing surveys, checking into various funding possibilities, and to bring to the attention of the Board of Education what people on the Southside are interested in and what needs they feel the Southside Community should have. In December the committee presented its findings and recommendations to the Board of Education.

1775.

The Navy was born.

One year before the nation.

Which just about sums up the Spirit of Navy.

The spirit that keeps the Navy looking ahead.

And Navy men and women moving ahead.

Whether it's 1775. 1975. Or 2075.

It's the spirit of opportunity.

Opportunities that let qualified people
secure the future, with training in over
70 career fields.

It's the spirit of challenge.

The challenge of mind and muscle-expanding work.

It's the spirit of adventure.

The spirit that lets Navy men know this world
and its people.

Getting onto good terms with both.

Why don't you get into the spirit?

See your Navy Recruiter.

Or call 800-841-8000.

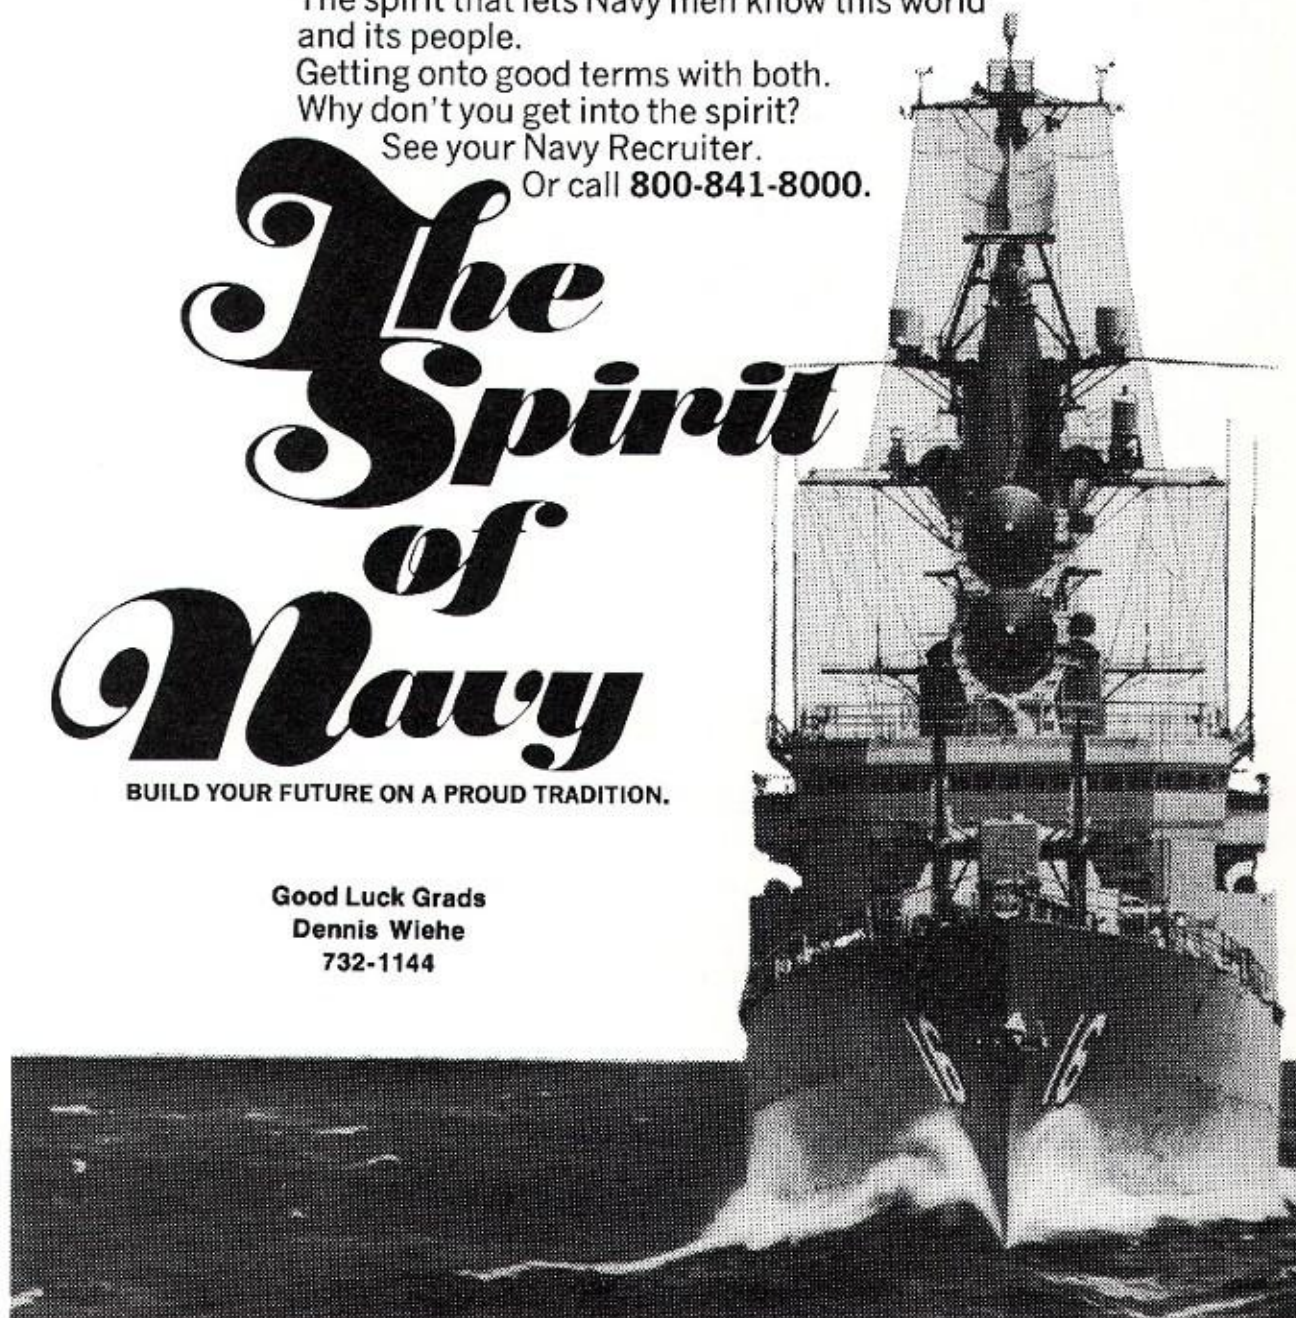

The Spirit of Navy

BUILD YOUR FUTURE ON A PROUD TRADITION.

Reach Out For The Joy And
The Sorrow.
Put Them Away In Your Mind

In our future years, we, the Class of 1977, will remember our three years at Southside with fondness, joy, and sorrow. These are the best times — our high school years.

Throughout this book we have tried to mirror our times here and reflect upon the past three years. We hope you will agree that we have succeeded in doing this. Because, after all, these are the "Times of our Lives."

Editor's note — At this time, I would like to thank everyone who helped make this book possible, especially the dedicated few who came to the meetings and worked very hard. But, more important, I would like to thank Mr. Haven and Mr. Smith, our advisors, for providing guidance and for just being there to help me on deadline days. Without their help, it would have been impossible.
